

 INFRASTRUCTURE SOLUTIONS	Modern Day Slavery & Human Trafficking Policy Statement	PS019
		Issue Number: 05
		Issue Date: 27/07/2020

RT Infrastructure Solutions Limited acknowledges the provisions of the Modern Slavery Act 2015 and will ensure transparency within its organisation and with suppliers of goods and services to the organisation.

RT Infrastructure Solutions Limited is satisfied from its own due diligence there is no evidence of any act of modern day slavery or human trafficking within its own organisation.

As part of our due diligence processes into slavery and human trafficking the supplier approval process incorporates a review of the controls undertaken by the supplier. Imported goods from sources outside the UK and EU are potentially more at risk of slavery and human trafficking issues. The level of management control required for these sources will be continually monitored.

RT Infrastructure Solutions Limited will not knowingly support or deal with any business involved in slavery or human trafficking.

RT Infrastructure Solutions Limited will undertake responsibility for implementing this Policy Statement and its objectives.

This Policy Statement will be reviewed and published annually.
